

Kristin Seaver Appointed Vice President, Area Operations, Capital Metro

Please see below and attached the memorandum from Mr. Donahoe announcing the appointment of Kristin Seaver as Vice President, Area Operations, Capital Metro.

October 24, 2013

OFFICERS

SUBJECT: Vice President, Area Operations, Capital Metro

I am pleased to announce that Kristin Seaver has been appointed Vice President, Area Operations, Capital Metro, effective immediately, reporting to the Chief Operating Officer.

Kristin has been acting in the role since October 3, and also previously served on a detail as Vice President, Area Operations, for the Eastern Area. From September 2011, until this appointment, she served as Northeast Area Manager of Operations Support, a position she also previously held in the Eastern Area.

As the Postal Service continues efforts to improve efficiency and operational performance, Kristin's experience will serve the organization well. She is Green Belt-trained and certified and Black Belt-trained in Lean Six Sigma. She has held a variety of positions including Manager, In-Plant Support; Senior Plant Manager; Manager, Processing and Distribution Center; Industrial Engineer; and Manager, Remote Encoding Operations.

Kristin holds a master's in Business Administration and a bachelor of science degree in Industrial Engineering from the Rensselaer Polytechnic Institute. She began her Postal Service career as a Professional Specialist Trainee in Albany, New York, in 1991.

Please join me in congratulating Kristin and in giving her your full support in her new role.

Patrick R. Donahoe
